DNP-PhD Part-Time Program of Study

Year 1 **11 Week Summer** ***(semester 1)***	**CH**	**Fall** ***(semester 2)***	**CH**	**Spring** ***(semester 3)***	**CH**	**Year Total**
NURS 8205: Nursing Scholarship & Discovery 1 *NURS 7638: Statistical Reasoning in Nursing* ***(if needed)***	3 3	*NURS 8220: Nursing Philosophy & Knowledge Development* *NURS 8226: Statistical Methods for Nursing Research I*	3 3	*NURS 8225: Theory Analysis & Application in Nursing Science* *NURS 8227: Statistical Methods for Nursing Research II*	3 3	
Semester Total	**3-6**		**6**		**6**	**15-18**
Year 2 **11 Week Summer** ***(semester 4)***	**CH**	**Fall** ***(semester 5)***	**CH**	**Spring** ***(semester 6)***	**CH**	
NURS 8240: Quantitative Methods *NURS 8241: Principles of Measurement*	3 3	*NURS 8200: Grant Writing* *NURS 8235: Qualitative Methods*	3 3	*NURS 8206: Nursing Scholarship & Discovery II* *NURS 8260: State of the Science* **NURS 8250: Research Practicum*	1 3 3	
Semester Total	**6**		**6**		**7**	**19**
Year 3 **11 Week Summer** ***(semester 7)***	**CH**	**Fall** ***(semester 8)***	**CH**	**Spring** ***(semester 9)***	**CH**	
NURS 8262: Translational Nursing Science ***(if needed)*** **NURS 8255: Directed Research* ***(if needed)*** **NURS (Elective) or other elective* ***(if needed)***	3 3 3	*NUR/HUMS 7004: Research Ethics* **NURS (Elective) or other elective* ***(if needed)*** ▲ ***Candidacy Exam***	2 3	***NURS 9000 Dissertation Research*	3	
Semester total	**0-9**		**2-5**		**3**	**5-17**
Year 4 **11 Week Summer** ***(semester 10)***	**CH**	**Fall** ***(semester 11)***	**CH**	**Spring** ***(semester 12)***	**SH**	
***NURS 9000 Dissertation Research*	3	***NURS 9000 Dissertation Research* *(if needed)*	3	***NURS 9000 Dissertation Research* *(if needed)*	3	
Semester Total	**3**		**0-3**		**0-3**	**3-9**
					TOTAL PROGRAM HOURS:	**42-63**

** DNP-PhD students will receive transfer credit for 6 c.h.of elective requirements & 3 c.h. of NURS 8262 Translational Nursing Research. DNP-PhD Students may receive 3 c.h. for Directed Research if approved by the PhD Program Director for a total of* ***up to 12 c.h. of transfer credit.***

▲ *Candidacy exam must be successfully completed before registering for dissertation.*

*** Students must take a minimum of 6 credit hours of NURS 9000. Students must be continuously enrolled until the dissertation is completed (except summers).*

PhD in Nursing Required Courses = 42 c.h. *Elective Courses = 6 c.h. (DNP Students will receive 6 c.h. of elective requirements). Transfer Credit Hours = 6 c.h.
