</table>

*Application must be submitted by 5:00 pm on deadline to be considered.

APPLICATION ACCESS:

Your current major in Banner must be Intended Nursing to have access to the BSN Admissions Application and to have your application evaluated for admission. If you have changed your major to your parallel plan, please contact your former Nursing Academic Advisor to have your major updated so you can access the application. Changing majors after submitting your application automatically removes your application from the system and will make you ineligible for consideration. Students will only have their application to the traditional BSN program reviewed a max of two times.

INSTRUCTIONS:

STEP 1: Log into “Academic Works” with your Pirate ID and passphrase: https://ecu.academicworks.com/users/sign_in

STEP 2: Complete the general scholarship application first to apply for declared nursing scholarships. You can ignore the “ended/action” at the conclusion of this part of the application.

STEP 3: Complete the BSN Admission Application:

- Answer “yes” to the question: “Are you applying to the Undergraduate Clinical Nursing Major?”
- Select “Fall 2020” to answer the question: “Which semester is this application intended for?”
- Continue through the remainder of the application answering questions with your specific information.
  - TIP: Hover your mouse over each question to view full instructions for that question.
- Upload the following electronic documents to your application (PDF or JPEG only):
  
  Q7: Unofficial ECU Transcript – Banner Self-Service > Student Tab > Student Records (use Ctrl+P to print)
  Q7: Unofficial Transcript(s) for courses completed at other institutions (if applicable) – Contact your Academic Advisor for assistance
  Q8: Schedule or Unofficial Transcript for courses in which you are currently enrolled (if applicable)
  Q14: LPN licensure documentation (if applicable)
  Q19: HESI A2 Score Report(s) – download from My Evolve account

  * If needed, scanning services are available in Joyner Library – visit the circulation desk for assistance.
  * If you are re-applying all documents must be submitted a second time and should be up to date.

- PLEASE NOTE: You can edit and update your nursing application through the deadline. As you are working on your application use the “Update your application” button. There is no final “Submit” button. Just be sure your application is complete by the admission deadline and it will be uploaded for review.

STEP 4: On the notification date listed above you will receive an email from scholarships@ecu.edu or beamane18@ecu.edu with your admission decision. Open this email and click on the link provided to view your decision letter. If admitted please log back into Academic Works to formally accept your spot in the program.

STEP 5: Admitted students are required to attend BSN Orientation the week prior to the start of classes and are expected to plan personal trips, appointments, etc. around this requirement. Students who are selected as alternates for admission should also plan for this requirement in case they are admitted to the program later.
