Caring for someone living with dementia?

Resources in Southeastern North Carolina

The Geriatric Workforce Enhancement Program (GWEP) is supported by a HRSA grant from the U.S. Department of Health and Human Services

- Visit our GWEP website at: easternNCaging.org
- Click on the “Patient Resources” tab
- Look at “information to help caregivers of people living with dementia” to find HRSA Caregiving Modules
- Look at “resources and family caregiver support” to find resources from your Area Agency on Aging
