The screenshot shows the HESI Assessment website. At the top left is the Elsevier logo. Below it, the text "HESI Assessment" is displayed. A navigation bar contains links for "My Exams", "Payments", "Cohort", "Distance Testing" (with a dropdown arrow), and "Help & Resources". The main content area is divided into three sections with green headers: "Compatibility Check", "FAQs", and "Research". The "Compatibility Check" section contains a message about multimedia activities and a link to ensure system compatibility. The "FAQs" section lists several questions with blue links: "What is HESI?", "Why do I need to run the compatibility check?", "How do I access my remediation content?", "Why don't I have the 'View Results' link available on the My Exams screen?", and "What is the individual student Percentile Ranking?". Below the FAQs are two buttons: "View HESI FAQs" and "Visit HESI Student Life". The "Research" section has a title "Remediating nursing content improves outcomes" and a paragraph of text, followed by a reference: "Reference: Lauer, M. E. & Yoho, M. J. (2013). - Please review the restrictions note. ECU has multiple exam versions (V1 and V2). Once you begin this registration process and choose “V1” you MUST follow it through all the way to scheduling your exam. If you fail to do so and then restart this process, “V1” will no longer be an option because you already chose that previously. This can cause a lot of confusion and cost you a lot of time getting fixed.
- If you are scheduling your FIRST attempt on the HESI and you reach this step and only “V2” is available, then that means you’ve already used your “V1” registration in the past and it must be reset by Elsevier.
- Make sure that the information listed in the box matches the government ID you plan to provide on test day (e.g. driver’s license). Check the box in the bottom left corner and then click “Submit.”

- You can confirm you registered for distance testing by looking at your “Registered Exams” count in the “Distance Testing Registration” box at the bottom of the screen.

Step 4: Submit “Request for Distance Testing Accommodation” form to Elsevier for approval.

Typically, a response to an accommodation request is given within six (6) weeks so students should complete this process as soon as possible once their HESI A2 testing window opens and registration/exam scheduling is available.

- At the top of the same webpage, click on “Accommodation Request” under the “Distance Testing” tab.

The screenshot shows the Elsevier HESI Assessment website. The navigation bar includes 'My Exams', 'Payments', 'Cohort', 'Distance Testing', and 'Help & Resources'. The 'Distance Testing' dropdown menu is open, showing 'Register for a Distance Exam', 'View My Registered Exams', and 'Accommodation Request'. A red arrow points to the 'Distance Testing' tab, and another red arrow points to the 'Accommodation Request' option. To the right, there are sections for 'Compatibility Check' and 'FAQs'.

- This will open the PDF request form. Review the steps outlined on the first page.
- Fill out the form and send it to ECU’s Disability Support Services office to get the documentation you need in Step 2. Below is an example of Pee Dee Pirate’s form to guide you in filling it out.

Request for Distance Testing Accommodation Form

The following form must be completed and submitted to Elsevier with all additional supporting documentation for your request for test accommodation(s) to be reviewed. All information to be used for the sole purpose of processing testing accommodation requests for HESI Exams administered through Distance Testing.

3. Have you previously received an accommodation or specialized services in grades K-12, including but not limited to accommodations or specialized services provided as a result of an Individualized Education Plan (IEP) or a 504 Plan?

Name of Educational Institution:

Describe:

- Review the “Submission Information” section carefully about how to submit your request to Elsevier.

Submission Information

Submit this form and supporting documentation to: <https://www.hightail.com/u/HESI-Secure>

Important: Use of the website suggested herein is not a guarantee of the documents independently, security of the requestors machine, or the network(s) which the requestors machine may reside when performing the transmission. Elsevier only guarantees the security and confidentiality of the documents after they have been successfully and securely transmitted to Hightail.

Supporting Documentation: You are required to submit supporting documentation from the medical authority or learning institution that rendered a diagnosis of a current substantial limitation to physical or mental (academic) functioning. For a temporary disability, the documentation should clearly indicate the impact of the disability as well as the anticipated length of the recovery.

The verification documentation must be submitted on the official letterhead stationary of the authority or licensed or qualified specialist who has examined the applicant and diagnosed a physical or mental impairment and include the following details:

- ⇒ Recommended accommodation/modification, as it pertains to testing
- ⇒ Description of the disability that details the extent of the disability, the criteria for the diagnosis, the diagnosis, the type and length of treatment and the recommended accommodation
- ⇒ Name, title, and phone number of the licensed or qualified medical authority or specialist
- ⇒ Original signature of the medical authority or specialist
- ⇒ Diagnosis within the last 5 years

Do not schedule your testing appointment with Prometric until you have received a response from the Elsevier Special Accommodations Team. We will require sufficient time to evaluate the request and implement the appropriate accommodations. Typically, a response to an accommodation request is given within **six (6) weeks**. The accommodation itself may take longer to arrange and is subject to availability of staff and resources.

- Provide your electronic signature within the PDF document.
- If you’ve never configured an electronic signature you’ll be prompted to do so when you click on the signature line. Choose “Configure New Digital ID” in the box that opens.

Applicant Authorization

I attest to the fact that the information recorded on this application is true, and if this application is not sufficient, I agree to provide Elsevier with any additional information or documentation requested in order to evaluate my request for accommodations. I also give permission to release to Elsevier a copy of any pertinent information required to establish the need for the accommodation(s) requested herein. If the information provided in support of this application is not sufficient, I authorize Elsevier to obtain additional information from the professionals who treated or evaluated my disability.

I understand that all information that is necessary to process this application must be available to Elsevier a minimum of six (6) weeks prior to my anticipated scheduling date to provide enough time to evaluate and process my request for accommodations. I acknowledge that Elsevier reserves the right to make a final determination as to whether any accommodation is warranted and appropriate. I also understand I am limited to testing in the United States and its territories and may receive limited or no accommodations if I choose to test in an international location.

Applicant Signature: _____ Date: _____ 

Third Party Release

I understand that Elsevier has contracted with an external panel of expert consultants with whom it may consult to augment its in-house expertise. By submitting my request for accommodations, I provide my consent to Elsevier to share my application and supporting documentation with the Elsevier Accommodation Review Team and/or consultants for review and consideration as deemed necessary by Elsevier.

Applicant Signature: _____ Date: _____ 

If you cannot configure an electronic signature then save your completed file to your computer then print a hard copy. Provide your handwritten signature instead and then scan the form so the complete file is electronic.

Send your completed request form to ECU's Disability Support Services Office:

- Email DSSDept@ecu.edu from your ECU student email account
 - Subject Line: "HESI A2 Accommodation Documentation Request"
 - Include name, Banner ID, Evolve username, projected testing date
 - Attach completed Elsevier Request Form to email

Once DSS reviews your Elsevier Request Form they will reply via email with applicable supporting documentation. **Be sure your request form and supporting documentation are saved to your computer.**

Once you have all documentation you are ready to submit your request for accommodations to Elsevier for approval.

- Upload your completed request form and supporting documents from DSS to:

<https://www.hightail.com/u/HESI-Secure>

- This will open the webpage pictured below.
- Click on the red "My Computer" button and select the saved files from your computer.
- These will be sent to Melissa Stagg at Elsevier who will review your request.
- You do NOT need to "sign up for free" or "sign in" to this page (seen on the top right of the screen).

Step 5: Keep an eye on your email inbox.

- From here the Elsevier Special Accommodations Team will review your request.
- Your approval or denial will be sent via email to you within six (6) weeks. Elsevier will also notify Prometric Testing of your request status at this same time.
- Your email will contain eligibility information which you will provide to Prometric when you call to schedule and pay for your test (phone number provided below).
- Students requesting accommodations MUST CALL Prometric and provide their eligibility information to ensure their approved accommodations are scheduled correctly. This cannot be completed online. You can also call the highlighted number below if you have questions about the accommodations request process.
