

Path to Becoming A Successful Preceptor

- Retiring preceptors
 - NP programs
 - Students
- Duke
ECU
WCU
Winston-Salem State University
University of North Carolina at Chapel Hill
Charlotte
Greensboro
Wilmington

Requests to take learners are rolling in

Secure a learner for your clinic

- Through local ORPCE
- Through your preferred university or program
- Directly with a student

- Make sure your practice is available to take learners
- Check to see if there is a system in place that coordinates student learners
- Communicate with your practice manager and health system

Onboard Onboard Onboard!

Avoid being overwhelmed

- Tricks of the trade**
- Read your student
 - Provide daily feedback
 - Set expectations early
 - Know how to deal with a difficult learner and burnout
 - Complete evaluations for the student and school
