*Allow 4-6 weeks for this review once all transcripts are received. At particularly busy times (advising/registration and beginning/end of a semester), the processing time may be extended. Once you receive your letter stating the results of your review, you can use this letter as your tentative checklist as you complete your remaining prerequisite courses. Students are encouraged to complete all prerequisite courses as soon as possible and at least within two years from the date of the unofficial review as program requirements are subject to change.*
