

# ABSN PREREQUISITE WORKSHEET FOR APPLICANTS

## ABOUT THIS DOCUMENT

This worksheet was designed to help prospective students who are applying to ECU's ABSN program determine if they have met the prerequisite requirements.

## REQUIRED GENERAL EDUCATION AND PREREQUISITE COURSES

Required courses can be taken at ECU, a community college, or another regionally accredited college or university. The following transfer resources can be used to look up established course equivalences at ECU:

- [ECU Course Equivalency Tables](#)
  - *Please Note: If your transfer institution(s) do not have any or many course equivalencies established, that simply means we have not had many students transfer to ECU from that school, not that we do not accept credit from that institution. If the institution is regionally accredited, we recommend utilizing the university's catalog below to compare the course descriptions of your completed courses against the BSN requirements.*
- [Approved NC Community College Course Equivalencies](#)
- [University Catalog](#)
  - Use the "courses" link on the left menu to view ECU course descriptions for our required prerequisites if needed.

## WORKSHEET INSTRUCTIONS

Using the resources above, please enter your transfer courses that you have determined meet, or may meet, our course requirements in the table below. **A completed copy of this worksheet will be required along with copies of your unofficial transcript(s) when submitting your ABSN application.**

<b>Statistics</b> (3 semester hours):					
<b>Human Nutrition</b> (3 semester hours):					
<b>Ethics</b> (3 semester hours):					

## ELIGIBILITY CRITERIA

To be an eligible ABSN applicant, you must meet ALL the following

criteria: **Earned at least a Bachelor's degree from a regionally accredited college or university by the end of summer semester**

- **Minimum cumulative GPA/20+ credits post-graduation GPA of a 3.0**
  - o *The College of Nursing includes all college grades from all colleges attended when calculating GPA for admission; some exceptions may apply*
- **A final grade of B- or higher in these specific prerequisite courses:**
  - o MATH 1065, CHEM 1120, CHEM 1130, BIOL 2140 & 2141, BIOL 2150 & 2151, and BIOL 2110 & 2111
    - *BIOL2140/2141 and BIOL2150/2151 must be no older than 5 years at the time of the application deadline*
  - o Pass/fail grades are not acceptable for these specific course requirements
  - o ECU requires a grade of C or higher to transfer credit officially for all coursework completed at other institutions
- **Completed all, or be enrolled in, final set of and prerequisite courses listed above at the time of application submission**
  - o If any courses are outstanding at the time of application submission, your application will not be considered, and you will receive an ineligible notification from the Office of Student Services.
  - o It is the applicant's responsibility to confirm they have completed, or are enrolled in, the correct equivalent courses to meet program requirements before submitting their application
- **Completed at least one attempt on the HESI A2 pre-nursing entrance exam**
- **Submit a complete online application with all required documents by the application deadline, June 15<sup>th</sup> at 5:00pm.**

## REQUESTING THE ONLINE ABSN APPLICATION

Students who wish to apply to the ABSN program should email [absnapplication@ecu.edu](mailto:absnapplication@ecu.edu) to request a link to the online BSN application. To confirm eligibility to apply please include the following in your email:

- **A fully completed copy of this eligibility worksheet**

- **Unofficial transcript(s) from each college attended for verification**
- **PDF copy HESI-A2 Report**

If you have already requested/received an Unofficial Transcript Review by the CON Student Services within the past year, please indicate in your email request the date you received your completed unofficial evaluation from our office.

**Please allow one to two business weeks for eligibility review and reception of link.**
