

Call for Third Party Comment
Commission on Collegiate Nursing Education Accreditation
August 30, 2024

Dear Colleagues,

East Carolina University College of Nursing (ECU CON) is pleased to announce that we will be participating in an on-site evaluation of our baccalaureate degree program in nursing, master's degree program in nursing, Doctor of Nursing Practice programs, and post-graduate APRN certificate program, by the Commission on Collegiate Nursing Education (CCNE), the accrediting body of the American Association of Colleges of Nursing (AACN).

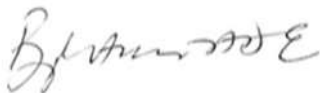

We are currently preparing our self-study document for submission in September and will host our site visit from October 30 to November 1, 2024. The Commission invites program constituents to submit, in writing, comments concerning the educational characteristics of the degree and certificate programs at ECU CON that make it a strong candidate for professional accreditation. These comments, which are held in confidence by CCNE, will be used by the evaluation team to support the application process.

Signed comments may be submitted directly to the national offices of CCNE until 21 days before the scheduled visit. The address is:

Commission on Collegiate Nursing Education
Attn: Third-Party Comments
655 K Street NW, Suite 750
Washington, DC 20001

On behalf of the faculty and staff of ECU CON, please accept my thanks for your continued support of our work. Our constituent base encourages and challenges us to live our mission, "to serve as a national model for transforming the health of rural underserved regions through excellence and innovation in nursing education, leadership, research, scholarship, and practice."

Sincerely,

Bimbola F. Akintade PhD, MBA, ACNP-BC, NEA-BC, FAANP, FAAN
Dean and Professor
ECU
