# NC Community College Courses for Transfer Credit

## RN to BSN Admission Prerequisites

The following list of NC Community College courses is provided as a courtesy and is based on courses approved for transfer through the Comprehensive Articulation Agreement. Note that the list of courses below are subject to change without notice. Students should be sure to check the course equivalencies on ECU Pirate Port site (pirateport.ecu.edu) for the most up to date information. Remember that courses included in this document are recommendations only.

Please speak with an advisor to discuss any questions or concerns.
